SKILLSFUTURE STUDY AWARDS

CPA Australia® is pleased to announce that the CPA Program® now qualifies for the SkillsFuture Study Awards for the accountancy sector in Singapore.

About SkillsFuture Study Awards

The SkillsFuture Study Awards equip Singaporeans with the skills needed to benefit from quality jobs created by our economy. As Singapore continues our transition to an innovation-driven economy, new skills and competencies will be in demand. The Awards encourage the development and deepening of specialist skills needed by future economic growth sectors or in areas of demand. It also supports those who already have deep specialist skills to develop other competencies.

Who is it for?

The SkillsFuture Study Awards are for early to mid-career professionals who are committed to developing and deepening their skills in key sectors and have relevant working experience in such sectors.

How does it work?

You will receive a monetary award of **S\$5,000**, which you can use to defray out-of-pocket expenses associated with the course that you will be taking. It can also be used on top of existing government course fee subsidies. You do not need to serve a bond.
