

“We are confident that time well spent with us will amplify your interest and deepen your knowledge in your subject matter, and equip you with relevant skills and the right mindset to thrive in an increasingly changing and complex world.”

Dear Student,

Attaining knowledge and acquiring essential skills are amongst the best investments one can make, and we are heartened that you have taken this vital step with Kaplan, as your institution of choice.

At Kaplan in Singapore, it is our mission to help you achieve your educational and career goals and we are committed to providing you with a fulfilling learning journey. We are confident that time well spent with us will amplify your interest and deepen your knowledge in your subject matter, and equip you with relevant skills and the right mindset to thrive in an increasingly changing and complex world.

During your course of study, you will not only gain crucial domain knowledge but also get to sharpen your academic and study skills, which will put you in good stead for further academic and career progression.

To make the best of your learning, I encourage you to be an active listener and participant in class, and take advantage of the many opportunities to interact with your lecturers and tap into their wealth of experience. By collaborating closely with your classmates, you will gain new friends who may go on to become part of your valuable professional network in the future.

I wish you all the very best in your studies and look forward to seeing you succeed.
